

The cross country teams of Burlington Central High School and Thomas A. Blakelock High School would like to invite you to the first ever Schnurricane Classic Cross Country Meet, taking place October 8th at Bronte Creek Provincial Park.

The Schnurricane Classic is named for the Burlington raised runner and coach, Paula Schnurr. Among many of her achievements, Schnurr is known for competing in the 1500m at the 1992 Barcelona Olympic Games and the 1996 Atlanta Olympic Games, as well as winning a silver medal at the 1994 Commonwealth Games in the 1500m. Schnurr has also been the longtime coach of the McMaster University Cross Country and Track teams, winning provincial and national championships along the way. The name comes from the nickname that her athletes have given her for her sometimes feisty personality.

The course is located at 1219 Burloak Drive, Parking Lot A, and will later serve as the course for the GHAC championships.

Entry Fees: \$10.00 per competitor to a maximum of \$350 per school. All cheques should be made payable to Thomas A. Blakelock High School and can be handed in on race day. The cut off for entries will be Sunday, October 6 at Noon. There is the possibility of an earlier time if numbers exceed Capacity. Funds will go to support the athletic programs at Blakelock and Burlington Central. You can register at www.xcrunner.ca .
