Zone Prep Invitational Meet Wednesday May 7

This invitational meet will follow the same schedule as your ZONE meet. The goal of this meet is to have the athletes practice one last time before the Zone Championship meet. We will be using bib numbers for this meet. A week prior to the meet I will be asking you to send me a list of athletes that will be attending the meet **OR** you can enter your athletes using Team Manager 4.2 Lite. This is the same way we did entries last year. I will be sending out the meet code for those schools who will be using Team Manager 4.2 Lite. Please email me and ask me for the meet code please. If you are emailing me a list of your athletes, I **DO NOT** need to know what events your athletes are competing in; I just need their **First Name, Last Name and Gender**. You will receive your bib numbers in your package on the day of the meet.

The goal of this meet is to provide all competitors with a great warm-up meet. Please email in your entries to the school. All schools must send a teacher-official to help run events. Also, be prepared to bring equipment (tape measure, clipboard, pencil) and student helpers to help run your event. When emailing in your entries please specify two (2) duties you are willing to officiate. I hope to see you on Wednesday May 7th. Any questions feel free to email me or call me on my cell 905 931 1675.
